

## From Folgueroles to Casserres

The stage from Folgueroles to Casserres stands out even in this sublime county, especially for the quality of the culture. You will be discovering the Verdaguerià territory, together with the incredible wealth of the masies and Romanesque hermitages, culminating in the monastery of Sant Pere de Casserres, jewel of Romanesque architecture in Catalonia. On the way you must not fail to visit Savassona where, in addition to the young valiant rock climbers, you will find, anthropomorphic tombs, Iberian rock carvings and views of the Pyrenees, the plana de Vic and of the Collsacabra, almost like a postcard.
